I hope the commission will be very direct to the Mayor and the Director.

I was referring to a recent article in The New York Times about increased violence in NYC due to fractured gang structure, etc.

It seems to me that's part of what's going on in Memphis - a lot of splinter groups without much discipline.

On another note, I hope you will be very direct in your final report regarding your recommendations on tackling gang violence in Memphis.

You'll have it. I'm not certain what you mean about the Gang problem in New York. It happens to be in Suffolk county - 30 miles away from NYC. It is MS 13 issues that you don't have in your city. Why would you bring this up?

Hello Ray,

I hope you are doing well.

Mayor Strickland and I have a meeting with key business leaders at noon on Friday, June 23. If possible, they would like for us to address your final report. Is there a chance we can have it within the next week or so ?

I've been reading with interest about the increasing gang problem in New York City.
